

## IMPORTANT NOTICE

### Phishing Emails from @on-nets.com and Fake Webpage

It has come to the attention of Hutchison Global Communications Limited ("HGC" / "the Company") again that anonymous parties have been sending phishing emails to the public from a fake address - admin@on-nets.com using HGC's email domain name @on-nets.com. The fake emails, subjected "**Update Your HGC Email Account**", direct recipients to a fake webpage for an update on their account details.

HGC hereby clarifies that the Company has not sent out any email from admin@on-nets.com. The Company has no connection whatsoever with the webpage at <http://www.mistralc.com/wp-content/uploads/2010/09/on-nets.com/index.html> nor has HGC authorised the webpage to use the name, logo or trademark of "HGC" and "Hutchison Global Communications". The official website of Hutchison Global Communications Limited is [www.hgc.com.hk](http://www.hgc.com.hk) and that of its Business Broadband Service is [www.on-nets.com](http://www.on-nets.com).

HGC is very concerned with the fake emails and webpage. The case has been reported to the police and the Company reserves all legal rights against all parties involved. Any customers receiving such fake emails please contact HGC on 1222 immediately.
